

Rosalp (sleeps 6+2)

A luxury three bedroom apartment in the heart of Verbier. The apartment is in the newly constructed Rosalp development, which is in a superb location 100m away from the Medran lift station.

The open plan sitting room and kitchen has large picture windows that give panoramic views of the mountains and offer the option to sit on a sunny south-facing terrace. All three bedrooms have ensuite bathroom rooms. One of the bedrooms is a bespoke quod bunk room being ideal for kids.

The apartment is decorated in a contemporary rustic style, with aged oak wood floors and panelling. As part of the Rosalp development there is access to a residents only private leisure facility with spa, gym and treatment rooms.

The apartment has a heated boot room, ski store and a secure underground car parking space.
