

Place Blanche, Verbier (Sleeps 10+4)

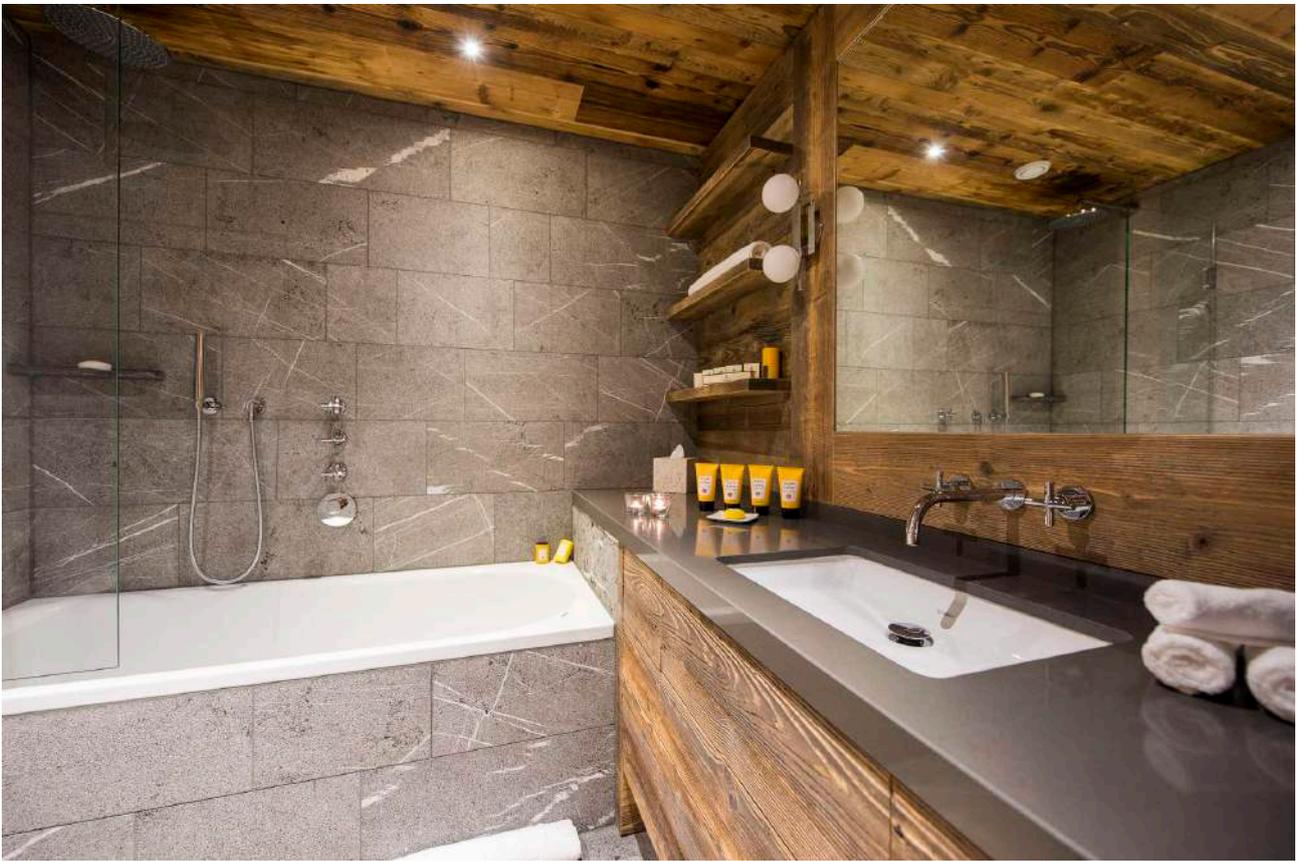

Arguably the most sought-after address in Verbier, Place Blanche is a stunning property in the heart of the resort. Overlooking the newly-built village square at Place Blanche and the W Hotel, the location could not be any better. With the Medran piste and bubble lift right on your doorstep, as well as some of the best shops, bars and restaurants in town, Place Blanche is quite simply the place to be.

Decorated in a contemporary yet rustic style, Place Blanche oozes class and charm in equal abundance. Both of the spacious living rooms have an open fires and there is an additional bar area downstairs. Decorated with some stunning modern art, the chalet also has a separate office, as well as a TV room. There are south-facing balconies running the entire length of the property offering spectacular views towards the mountains and the square itself.

The main dining room and kitchen can be separated off from the lower living room by a hidden sliding door to create a more intimate atmosphere whilst your chef prepares a sumptuous dinner.

The bedrooms are extremely spacious by Verbier standards, and furnished to the very highest standards. The chalet is versatile, with the four main bedrooms being able to set up as either doubles or twins. One of the bedrooms has a large full height mezzanine with additional double/twin beds. The quad bunk room is ideally suited for children or adults, with four full-length beds in beautiful old wood.
